Exercises by David Valle Cazorla

Human

By The Killers

I did my best to notice
When the call came down the line
Up to the platform of surrender
I was brought but I was kind
And sometimes I get nervous
When I see an open door
Close your eyes
Clear your heart...

Cut the cord

CHORUS

Are we human?
Or are we dancer?
My sign is vital
My hands are cold
And I'm on my knees
Looking for the answer
Are we human?
Or are we dancer?

Pay my respects to grace and virtue
Send my condolences to good
Give my regards to soul and romance,

They always did the best they could
And so long to devotion
You taught me everything I know
Wave goodbye
Wish me well..
You've gotta let me go

CHORUS

Will your system be alright
When you dream of home tonight?
There is no message we're receiving
Let me know is your heart still beating

CHORUS

You've gotta let me know

CHORUS

Are we human?
Or are we dancer?
Are we human
Or are we dancer?

4. Correct the mistakes.

Will your computer be alright
When you dream of house tonight?
There is no village we're speaking
Let me know is your soul still dancing

5. Read the following texts and answer the questions below.

The Killers are an American post-punk revival band from Las Vegas, Nevada, formed in 2002. The band consists of Brandon Flowers (vocals, keyboards), Dave Keuning (guitar, vocals), Mark Stoermer (bass guitar, vocals) and Ronnie Vannucci Jr. (percussion, drums).

Part of the post-punk revival movement, The Killers draw their influences from music styles of the 1980s. The group's debut album, *Hot Fuss* (2004) brought the band mainstream success. The Killers' second album, *Sam's Town*, was released in 2006, and the compilation album *Sawdust* containing B-sides, rarities, and new material, was released in 2007. Their third studio album, *Day & Age*, produced by Stuart Price, was released in November 2008.
