**1. Listen to the song and tick the words as you hear them:**

anymore	night
blue	power
broken	sight
clouds	so long
cold	staring at
darkness	storm
insane	time
loose	vision
moment	waiting
monsoon	world

**2. Listen to the CHORUS of the song and fill the blanks with the right preposition:**

in, beyond, through (2), from, of (2), like, to, into,

Running \_\_\_\_\_ the monsoon,  
\_\_\_\_\_ the world,  
\_\_\_\_\_ the end \_\_\_\_\_ time,  
Where the rain won't hurt (?)

Fighting the storm,  
\_\_\_\_\_ the blue,  
And when I loose myself I think \_\_\_\_\_ you,  
Together we'll be running somewhere new  
\_\_\_\_\_ the monsoon.  
Just me and you.

A half moon's fading \_\_\_\_\_ my sight,  
I see your vision \_\_\_\_\_ its light.  
But now it's gone and left me so alone

I know I have to find you now,  
Can hear your name, I don't know how.  
Why can't we make this darkness feel \_\_\_\_\_ home?

**3. Now, listen to the 3 part of the song and number the lines in order on the right column:**

**6. Go to this page in wikipedia and read about “Tokio Hotel” Band.**

[http://en.wikipedia.org/wiki/Tokio\\_Hotel](http://en.wikipedia.org/wiki/Tokio_Hotel)

**Tokio Hotel** is a German rock band. The quartet has scored four number one singles, two number one albums have sold nearly 3 million CDs and DVDs in their homeland.

Twin brothers Tom and Bill Kaulitz met Gustav Schäfer and Georg Listing after a concert in Magdeburg. Originally formed in 2001 under the name Devilish, the band began playing in talent shows and small concerts. After Bill Kaulitz's participation in a children's Star Search in 2003 (which he lost in the quarter-final), he was discovered by music producer Peter Hoffmann. Devilish changed their name to Tokio Hotel ("Tokio", the German language spelling of the city Tokyo, Japan, which they love, and "Hotel", due to their constant touring and sleeping in hotels), and Sony BMG took them under contract. Hoffmann hired David Jost and Pat Benzner into the team of creators and authors, and had them give the teens instruction on songwriting and instrument playing. However, shortly before release of their first album, Sony terminated their contract. In 2005, Universal Music Group took Tokio Hotel under contract and developed a marketing plan. Several DJ's such as Basement Jaxx, Melodik Pinpon, Bob Sinclar and Givichy Universal have remixed Tokio Hotel songs.

## **MONSOON By Tokio Hotel**

I'm staring at a broken door,  
There's nothing left here anymore.  
My room is cold,  
It's making me insane.

I've been waiting here so long,  
But the moment seems to 've come,  
I see the dark clouds coming up again.

### **CHORUS**

Running through the monsoon,  
Beyond the world,  
To the end of time,  
Where the rain won't hurt (?)

Fighting the storm,  
Into the blue,  
And when I loose myself I think of you,  
Together we'll be running somewhere new

Through the monsoon.  
Just me and you.

A half moon's fading from my sight,  
I see your vision in its light.  
But now it's gone and left me so alone

I know I have to find you now,  
Can hear your name, I don't know how.  
Why can't we make this darkness feel like home?

### **CHORUS**

Running through the monsoon,  
Beyond the world,  
To the end of time,  
Where the rain won't hurt (?)

Fighting the storm,  
Into the blue,  
And when I loose myself I think of you,  
Together we'll be running somewhere new  
And nothing can hold me back from you.

Through the monsoon. Hey! Hey!

### **BRIDGE**

I'm fighting all this power,  
Coming in my way  
Let it sail me straight to you,  
I'll be running night and day.

I'll be with you soon  
Just me and you.

We'll be there soon  
So soon.
