

Happy New Year

Xin nian kuai le!
Every girl and every boy!
Xin nian kuai le!
Everyone is full of joy.

Sweep the house
Clean your room.
Sweep the house
Get the broom.

Out with the old
In with the new.
Nice new clothes
For me and you.

There's lots of food
For New Years Day.
Put all sharp things
Well away.

The lion roars
The dragon sways.
There's lots of fun
On festive days.

Shining bright
The lanterns light.
And firecrackers
Fill the night.

Xin nian kuai le!
Every girl and every boy.
Xin nian kuai le!
Everyone is full of joy.
