

Ten Shiny Coins

10 shiny coins in my money box today,
10 shiny coins in my money box today,
1 had a cake and an ice-cream, and then I had to pay,
And there are 8 shiny coins in my money box today.

8 shiny coins in my money box today,
8 shiny coins in my money box today,
1 saw a paint box, a pen, and then I had to pay,
And there are 6 shiny coins in my money box today.

6 shiny coins in my money box today,
6 shiny coins in my money box today,
1 saw a yo-yo, a ball, and then I had to pay,
And there are 4 shiny coins in my money box today.

4 shiny coins in my money box today,
4 shiny coins in my money box today,
1 saw a comic and a book, and then I had to pay,
And there are 2 shiny coins in my money box today.

2 shiny coins in my money box today,
2 shiny coins in my money box today,
1 saw some stickers, a notebook, and then I had to pay,
And there are no shiny coins in my money box today.
