Call Regulations (Spanish)
BOJA nº 41 of March 3, 2014

Responsible entities:

- ✓ Regional Ministry of Economy, Innovation, Science and Employment
- ✓ Andalusian Knowledge Agency
- ✓ Selection Committee
- ✓ Collaborating entities (contracting institutions): knowledge generation agents of the Andalusian Knowledge System

REQUIREMENTS

Residency

Being non-resident of the country where the research will be carried out

Applicants for outgoing mobility must be residents of European Union member states or associated countries

Undergraduate degree

- Issued within the European Higher Education Area (EHEA) or favorable technical report
- Do not have a degree from a university of the country where the research will be carried out

Doctorate Degree

Obtained within 10 years before the deadline of applications of the call

Situations such as temporary disability, maternity leave, adoption or foster care may interrupt

Work/Professional experience

Do not have worked or researched full-time for over 6 months, in the last 3 years, in the country where the research will be carried out

Admission/Invitation

Two mobility schemes

- 1° **Incoming mobility:** Carry out the research for 24 months based in a selected knowledge generation agent (contracting entity) from the Andalusian Knowledge System.
- 2° **Outgoing mobility:** Carry out the research in a selected destination university or research center (host institution) between the first 12-18 months. Completing the 24 months contract in a selected knowledge generation agent (contracting entity) of the Andalusian Knowledge System.

Commitment

Candidates for both mobility schemes are responsible for securing an agent of the Andalusian Knowledge System to oversee their research activities

EVALUATION CRITERIA

- Fellowships, prizes or other awards obtained, as well as proofs of career progress and distinctions obtained in other dimensions. (10 points)
- Width and depth of previous research experience and publications, especially in top journals and across different fields of study. (10 points)
- Industry, entrepreneurial and management experience in areas relevant or transferable to its field of study. (10 points)
- Relevance for their research career of previous international exposure (10 points)

Profile 40 points
(Minimum 20 points)

- Appropriateness of the intended destinations. (10 points)
- Appropriateness of the chosen mobility scheme for their research project. (10 points)
- Profile and comments of the supervisors at the intended destinations. (10 points)

Destination 30 points
(Minimum 15 points)

- Feasibility and potential significance for the ERA of the proposed research project. (10 points)
- Potential impact of the proposed research project to the development of the research career of the candidate in the ERA. (10 points)
- Potential significance and impact on Andalusia of the proposed research project. (10 points)

Impact 30 points
(Minimum 15 points)

Selection Committee

- In case of a tie, the predominant criteria are, in this order, a), b) and c).
- Three experts will independently evaluate each written research proposal against the evaluation criteria. The experts may not be of the same nationality. If scores given by experts are spread by more than 10% of the maximum possible score (100) one more expert will review the application. The final score will be the average of the three or four scores given.
- See the profiles of the members of the Committee and its incompatibilities (section 13 of the annex Summary -Spanish-).
- Upon proposal, personal or telephone interviews may take place with the 48 applicants ranked first with the highest scores, provided that they have obtained the minimum score.
- The fellowships will be granted to 16 people with the highest scores, The Committee could adjust the allocation of fellowships per mobility scheme to a maximum ratio of 1/3.
- The Selection Committee could waitlist up to 8 candidates. Some or all of the Fellowships awarded may remain unfilled.
