Join one of the biggest stages in Europe in applying to one of our auditions

Contract type:

These positions are open for **short-term and open-ended contracts**.

Contract start dates available through a six-month period following the audition. Short-term contract lengths are **for a minimum of 4 months**. Housing possibilities are available. Successful candidates requiring a Visa to work in France will be informed of the necessary application process.

These positions may include some night work and are subject to French law which requires candidates to be 18 years of age to legally work in France in accordance with the protection of young workers.

Audition Process

- STEP 1

Prior to arriving at the audition venue, please visit **DisneyAuditions.com** and click "**My_Profile**" to create a performer profile. This only takes a few minutes and will save you time on the day of your audition.

- STEP 2

On the day of the audition, one the Disneyland Paris representatives will be present **between 9.00am and 9.30am** at the entrance of the building to distribute timeslots for the day's audition. Additional information will be given on the day.

We are confident that we will be able to see the majority of candidates, however, please be aware that should the numbers go beyond our expectations, candidates will be attributed audition slots based on a "first come, first served" basis.

Candidates may be asked to stay until 7.00pm (at the very latest)

You will not be asked to prepare any audition material prior to your arrival.

Register on **DisneyAuditions.com** con copia de la candidatura a: eures.franciasuizabanelux@sepe.es
